7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

At the beginning of academic year, the academic calendar is prepared and followed. Teachers maintain academic record of curricular and extracurricular events, which is helpful to find the shortcomings. This record is checked by concerned Head of department and Principal regularly. Students are motivated to participate in Seminar, Workshop and Conference.

The Principal delivers the orientation lecture to the new entrants. At the beginning of academic year, the Principal forms various committees to conduct co-curricular and extracurricular activities. These committees plan their programmes, take approval of budget required and succeed the programmes. The committees take regular feedback from teachers and students, evaluate the performance and suggest solutions if required.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

The plan of the action decided upon at the beginning of the academic year in the IQAC meetings has created a positive impact on the teaching learning and extracurricular activities and research.

Students of Physics and Chemistry participated in AVISHKAR Research festival organized by BCUD, University of Pune at Sangamner College, Sangamner (Ahmednagar)

During the Ganesh Cultural Festival students worked as Volunteer Police to guide and make people aware about Environment pollution and emersion of the idols.

7.5 Whether environmental audit was conducted? Yes No

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

SWOT Analysis-

i) Strengths-

- a) The management of the college is strong in terms of its socio-economic support. All the members are great scholars, educationist and play vital role in the socio-political change of the rural masses.
- b) The staff of the college is young vibrant and well qualified. They have the zest for quality improvement and always try to inculcate moral ethical and social values among the young citizens of India.
- c) The college has played very crucial role to change the future of the rural students especially of girls of the surrounding area otherwise, the girl students were deprived of higher education since all other colleges are not in their reach in the service of distance.
- d) The college is permanently affiliated to the University of Pune. It is also included under the sections of 12(b) and 2(f) of the UGC Act NAAC, Bangalore. Peer team visited the college in 2012 and has accredited it with 'A' Grade having 3.15 CGPA.
- e) As a reward of the extension activities conducted by the college like NSS, Earn and Learn Scheme, participation in the Adult and continuous education, Bahishal Education. The college has received the Best College Awarded by Students Welfare Board University of Pune in 2011-12. It has also been awarded as the Best Rural College 2013 by the same University.
- f) This year, faculty took effort to enhance research publications. 43 Original research papers are published in International and National Journals and Conference Proceedings with ISSN and ISBN.

ii) Weaknesses:

- a) Limitations of special programmes at the undergraduate level especially in the science faculty therefore, students have limited academic flexibility in the science faculty.
- b) The college is located in a rural area and therefore almost 90 % of the population depends on agriculture. Because of the drought prone zone most of the population is socio-economically backward. The lack of communication skills, motivation to take higher education.
- c) The personal laboratories are insufficient to start new special courses at the undergraduate level.
- d) The research facilities are insufficient to develop a research culture and consultancy facilities.
- e) The employability level is very low at the undergraduate and post graduate level.

iii) Opportunities:-

- a) Academic flexibility can be increased by starting new special and inter disciplinary programmes at the undergraduate level. Proposal to start new Special courses in T.Y.B.Sc Physics and Mathematics were sent to the Govt. Of Maharashtra and their approval is sought.
- b) The young and qualified teaching staff can be motivated and directed towards good and fruitful research to improve their quality and increase overall development.
- c) To increase the employability of the UG and PG level students vocational courses can be started.
- d) Since the college is located in the rural area, there is a large scope to start skill oriented programmes based on agriculture.
- e) The Faculty who have registered for Ph.D. can be motivated to apply to UGC to avail Teacher Fellowship under FIP XIIth plan.

iv) Threats-

- a) Lack of interest among students for conventional degree courses.
- b) Due to rural social background parents are unwilling to send their daughters for the higher education.
- c) The college is located in the Rahata Tahasil and Ahmednagar district which is a drought prone area. Therefore, the economic status of parents is a hurdle for the students which prevents them from taking higher education.

8. Plans of institution for next year

To take special efforts to increase the strength of students

To form the academic calendar for academic year 2014-15, formation of various committees for the academic year for conduction of regular activities in the college and outside the college

As per Govt. Of Maharashtra and University of Pune, T.Y.B.Sc. at Physics and Mathematics will be started from academic year 2014-15.

To organize National and State level seminars /Conferences.

To organize different co-curricular and extracurricular activities through NSS

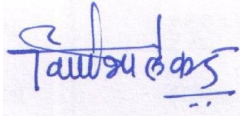

To motivate the Staff for Research through Minor and major research project

To send the faculty for Teacher Fellowship after the sanction of UGC under FIP

To Strengthen and Update the Physics, Mathematics Laboratory

To strengthen the IQAC

Analysis of the Feedback

a) Feedback from alumni

Feedback on curriculum is obtained from Alumni, when they return to the campus to get their original Certificates /Degrees on completion of the course and attend the Alumni Meet arranged by the department concerned periodically. Based on the feedback, the necessary recommendations made by the alumni, subsequently discussed and approved by the BOS are given below:

Sr.No.	Departments	Recommendations of Alumni, subsequently approved by the Board of Studies
1	Commerce	Banking Law
2	Commerce	To start 'cost works and accounting' at S.Y.B.Com.
3	Physics	To start Physics as a special subject at U.G.level.

b)Feedback from parents:

During parents Meeting, parents meet the faculty to know about academic performance, regularity. Conduct and behaviour of their wards and they provide such information about the usefulness of suitability of the programme of their wards.

c) Feedback from peers:

The college gets feedback from the subject experts, resource persons, member of inspection commission and external examiner for conducting viva- voce, special invitees to the seminar, symposium and workshops arranged in the college campus to enrich the curriculum.

Best Practices

a. Entrepreneurial Skills Development Programme -

The Institute in collaboration with the SSRI's Sai Rural Entrepreneurship Programme (SREDP) conducts short term skill based courses to develop Entrepreneurial Skills among the students. The courses like 'Tailoring and Fashion Designing', 'Beauty Parlour and Hair dressing', 'Computer Basics with Tally' etc. are run for the period of two/three months.

The students are given certificates. These courses help the students to start their own small scale business. In this way, the Institute help to increase the employability among the students.

b. Research Motivation-

The faculty and students are motivated for the development of quality and original research. The PG students are guided for Research Projects. They are provided with research facilities like Computerised Library, Internet and Computer laboratories, e-journals, e-books etc.

The experts are also invited to guide them. Students are motivated to participate in various competitions like CHEMIAD, MADHAVA MATHEMATICS COMPETITION and AVISHKAR. 10 students participated and presented their research project in AVISHKAR this year. 110 students participated in the CHEMIAD (75), MADHAVA MATHEMATICS COMPETITION (35) competitions.
