Subject- Regarding the feedback given by the stakeholders.....

Respected Sir,

As per the above mentioned subject, our college has been obtained feedback on curriculum from different stakeholders. As per the feedback obtained, following points are found which should be considered to take specific action to fulfill the demand of stakeholders.

- As per the alumni feedback, the institute should provide internship program to students, future career opportunities should be strengthened in tune with the curriculum, arrange field visit and study tour and also to provide project writing skill at UG and PG level.
- As per the student's feedback, students suggested that increase number of class tests, computer related courses, soft skill development programs like spoken English and communication skill etc.
- As per the feedback of employer, the curriculum should incorporate soft skills needed for employment.
- Likewise the feedback of employer also reflects that the syllabus should incorporate with developing skills aspects to handle problems at work place.

So, it is kind request to take suitable action regarding the feedback from the stakeholders to fulfill their expectation.

Thanking You,

Dr. M. B. Dighe

(Chairman -Feedback Committee)

Action Taken Report on Feedback

The institution has collected feedback on curriculum from different stakeholders like student, alumni, teachers and employers. The feedback is analyzed and suggestions given by different stakeholders were considered for necessary action.

Suggestions	Action Taken
The institute should provide internship program to students, future career opportunities should be strengthened in tune with the curriculum, arrange field visit and study tour and also to provide project writing skill at UG and PG level.	The institution has more than 30 functional MoUs with industries and institutions. The instructions are already given to all head of department to arrange internship program for UG and PG students for 1-3 months in tune with curriculum. The study tours, field visits are regularly arranged for students in order to have futuristic growth and also to identify the opportunities. The project writing skills program will be organized for both UG and PG students.
Students suggested that increase number of class tests, computer related courses, soft skill development programs like spoken English and communication skill etc.	As per the policy of internal examination the class tests will be conducted and it is instructed to CEO of the institution. The model skill development center is functional and will be enriched. The Skill development programs will be regularly organized for the students through the centre and SAJISHWARI Foundation, Rahata.
The curriculum should incorporate soft skills needed for employment.	The soft skills are incorporated in the curriculum, along with that Interview skills, communication skills, personality development program will be organized through webinar, seminar, Skill Development Cell, Training and Placement Cell.

The feedback obtained by the stakeholders is taken in to consideration and necessary action has been taken to satisfy the expectations of stakeholders of the institution.
