"Tree Plantation"
Report

The Department of Botany at Arts, Science and Commerce College Rahata organized a tree plantation event on 17 April 2023 in the pleasant village of Khadakewake. The primary objective of this event was to promote environmental conservation and create awareness about the importance of trees and their role in maintaining ecological balance.

The event commenced with an inaugural ceremony, attended by faculty members, students, and local community members. The ceremony began with a prayer for the success of the plantation drive. The tree plantation event garnered enthusiastic participation from students, faculty, and members of the local community. The diverse group of participants reflected the collective commitment to environmental conservation.

The Department of Botany chose a strategic location in Khadakewake for the plantation drive. The selected site had been identified as an area in need of reforestation due to deforestation and ecological degradation. Various native and ecologically suitable tree species were carefully chosen for plantation. This selection aimed to restore the local ecosystem and support the biodiversity of the region. Participants, including students and community members, actively engaged in planting the selected saplings. Proper planting techniques were demonstrated, emphasizing the importance of ensuring the survival and growth of the newly planted trees.

The tree plantation event organized by the Department of Botany at Arts, Science and Commerce College Rahata in Khadakewake was a resounding success. It brought together people from diverse backgrounds to contribute towards a greener and more sustainable future. The initiative not only helped in replenishing the local green cover but also raised awareness about the vital role trees play in maintaining ecological balance and conserving the environment.

The Department of Botany is committed to fostering a sense of environmental responsibility and plans to organize similar events in the future to continue the noble cause of tree plantation and environmental conservation.

REPORT ON VANMAHOTSAV- 2022

Department of Botany and Department of Geography of Arts, Science and Commerce college, Rahata have been jointly organized Vanmahotsav- 2022 on 8th July, 2022 and 9th July, 2022 under the guidance of Hon. Director Dr. Mahesh Kharde sir and Hon. Principal Prof. Sanjay Lahare Sir. Greenery, as a whole, helps in maintaining ecological balance. Since trees are such a vital part in the ecosystem, it is the duty of each and every individual to preserve vegetation and root for a healthy, pollution-free environment.

However, due to urbanisation and industrialisation, more and more trees are cut down every day. Deforestation is an emerging concern and Van Mahotsav aims to conflict the environmental imbalance caused due to this action. So the main aim of the programme was to inculcate the socialism within students. It aims to encourage students of our college to plant more and more trees. Deforestation is a serious concern, hence Van Mahotsav aims to bring more and more people together to grow and save forests in the country. The first week of July is just the right time for planting trees in most parts of India since monsoon joins that time. Therefore we planted trees and celebrated Vanmahotsav on 8th July, 2022 in nearby villages of Rahata tahsil.

In this event we planted about 500 various kinds of plants with the help of our college, students, NCC Girls cadets and teachers. Dr. Varsha Patil, Prof. C. M. Bansode, Miss. P. G. Bothe and Dr. S.R.Potdar have been taken efforts for the successful completion of the programme.

List of the Plants used for plantation-

1. Kanchan- 150
2. Neem- 100
3. Amla-100
4. Hirda-50

Renewable Energy Awareness Mission

Department of Physics conducts an outreach activity on Renewable Energy Awareness Mission for nearby villagers. Our activity focuses on raising awareness in villagers about renewable energy sources especially solar energy. Our college conducts this program to ensure that all the students, stakeholders are get engaged and be motivated for the use of solar energy.

As a social commitment, teachers and students of our department visited nearby village Ekrukhe on 06th January 2023 to popularize & promote use of renewable energy sources, especially Solar Energy. In this activity, 8 students of S. Y. B. Sc. and T. Y. B. Sc. Physics and 2 teachers participated. Students of department explained working of solar cooker to the visitors. With the help of demonstrations, people get idea about necessity of use of solar energy. During the demonstration students also created awareness about the pollution & climate change, efficient use of electrical home appliances & renewable energy utilizing devices. School students and villagers visited and participated in this outreach activity.

Department of Physics is very thankful to Director and Principal Dr. S. S. Gholap sir for granting permission to this activity and also to provide necessary facilities to conduct this program. Department is also thankful to Sarpanch, all members of grampanchayat, Villagers and visitors for kind cooperation during the activity.

Subject : Regarding permission for an Outreach Activity as
Renewable Energy Awareness Mission

Dear Sir,

Department of Physics is going to organize an Outreach activity namely Renewable Energy Awareness Mission in Kelwad village, Taluka Rahata, on Monday 17/04/2023 from 9.30 am onwards. The students of Physics department will visit village and demonstrate various solar energy instruments. They will also explain advantages, benefits and applications of solar based instruments to the villagers. The objectives of activity, list of participants is attached herewith.

Kindly give permission to conduct the activity in Kelwad on
17/04/2023.

Thank you.

Yours Faithfully

Outreach Activity Renewable Energy Awareness Mission

- Aims and objective:**
1. To create awareness about use of renewable/Solar Energy in daily life.
 2. To Guide students, stakeholders; about working of Solar light operated instruments.
 3. To give demonstrations about handling process of Solar cooker, solar dryer, solar heater, PV system, etc.
 4. To motivate and encourage the visitors, students, for use of Solar Instruments.
 5. Awareness about Energy saving, pollution due to Electricity generation.

Beneficiaries: Students, Villagers, stakeholders from nearby villages.

Contributors: Students of SYBSc and TYBSc physics will work as Volunteers during activity and Staff of Physics department will supervise the demonstration and activity.

Outcomes: Students/Visitors will learn following things from this activity:

1. They will learn about techniques of use of solar instruments.
2. Students will acquire demonstration skill of various instruments.
3. Visitors get knowledge about working and operation of various instruments like Solar Cooker, heater, dryer, etc. They will understand the skills in writing essays, summary etc.
4. They will understand necessity of solar energy for their future.

Conduction of activity/Content:

1. Students Prepare a poster of solar instrument showing its various parts.
2. Students give live demonstration of various instruments.
3. Students will answer questions regarding working and explain benefits of instrument.
4. Students clarify queries of visitors and encourage to use Solar instruments.
5. Explains benefits of solar energy and its scope in future for mankind.

Outreach Activity Report

Date- 17/04/2023, Place- Kelwad

Renewable Energy Awareness Mission

Department of Physics conducted an outreach activity on Renewable Energy Awareness Mission for nearby villagers. Our activity focuses on raising awareness in villagers about renewable energy sources especially solar energy. Our college conducts this program to ensure that all the students, stakeholders are get engaged and be motivated for the use of solar energy.

As a social commitment, teachers and students of our department visit nearby village Kelwad on 17th April 2023 to popularize & promote use of renewable energy sources, especially Solar Energy. In this activity, 8 students of S. Y. B. Sc. and T. Y. B. Sc. Physics and 2 teachers participated. Students of department explained working of solar dryer, solar cooker, parabolic reflector, PV system to the visitors. With the help of demonstrations, people get idea about necessity of use of solar energy. During the demonstration students also created awareness about the pollution & climate change, efficient use of electrical home appliances & renewable energy utilizing devices. School students and villagers visited and participated in this outreach activity.

Department of Physics is very thankful to Director and Principal Dr. S. S. Gholap sir for granting permission to this activity and also to provide necessary facilities to conduct this program. Department is also thankful to Sarpanch, all members of grampanchayat, Villagers and visitors for kind cooperation during the activity.

National Cadet Corps (NCC) Girls Unit, Arts, Science and Commerce College, Rahata was organized a Blood donation camp on 1st December, 2022 (Thursday) on the occasion of NCC Day and World Aids Day. A camp for blood donation was organized in seminar hall. The program was arranged by the NCC unit in association with the medical team of Dr. Vikhe Patil Memorial Hospital, Vilad ghat, Ahmednagar.

Before organizing the camp, an announcement was made to aware the students about the purpose of organizing the camp. The medical team was included 2 physician doctors, 1 Nursing Staff, 4, blood bank technician, 1 Social worker, 2 attender and 1 driver. A lot of students were interested to donate blood and became a part of that mission in a positive way, but the donars were selected as per the criteria for blood donation.

Before starting the donation process, a doctor gave a motivational speech. He thanked all of us and encouraged all the students by telling them the benefits of blood donation. The doctor told that donating blood not only helps needy people but is also beneficial for our own health. The program started at 9:00 in the morning. Everyone was excited to donate their blood and participate to help the needy people. About 35 donars donated their bloods on this occasion. Tea and breakfast was also arranged after blood donation to restore energy of the donar and fill them relaxed.

Dr. M. N. Kharde, Director, SSRI, Dr. S.S. Gholap, Principal, Dr. Shirole G. D., Dr. Bhalekar V.P., Bothe P.G., Dr. S.R. Potdar, Shinde S.T. and Kolge S.G. were also donated their blood and encourage the students. The program ended at 4 o'clock in the afternoon.

Dr. V. S. Patil, NCC Cordinator thanked everyone for their cooperation and promised to frequently become a part of such programs.

Rally Program Report

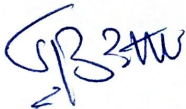

In view of the completion of 75 years of Indian Independence, the activity 'Azadi Ka Amrit Mahotsav' is being organized all over the country. Various programs will be organized at various levels under this initiative which will continue till August 13, 2022.

Various programs are also organized at Shirdi Sai Saral Institute College of Arts, Science and Commerce, Rahata under the initiative Azadi Ka Amrit Mahotsav. These include Rangoli Competition, Poster Exhibition, Street Theater Performance, Rally etc.

To celebrate Azadi Ka Amrit Mahotsav, a rally was planned by the college from Virbhadr temple in Rahata city. It includes villagers, politicians, social workers, professors, residents and there was a large participation of NSS volunteers. All the students wore white clothes for the rally. The tricolor flag of India was fluttering in everyone's hands. After traveling from all over the city, the volunteers performed a street drama in the Virbhadr temple premises.

To make this initiative successful, Director Dr. Kharde Sir, Hon. Principal Lahare Sir, give valuable guidance. Also, all the Vice Principals, Heads of Departments, students, volunteers, teaching and non-teaching staff give their support for this program.

Report on
“Workshop on My Five Days”

Name of the Event	Workshop on My Five Days
Objectives	Introduction to Menstrual Health
Date	9/3/2023
Resource person	Mrs. Rupali Londhe
Number of Participants	84

The Women Empowerment and Prevention of Sexual Harassment Cell of Arts, Science and Commerce College, Rahata has organized a Workshop on the topic “My Five Days” for girl students of Arts, Science and Commerce faculty on 9th March 2023. The Menstrual Cycle Awareness Workshop was organized with the objective of spreading knowledge and awareness about the menstrual cycle, addressing traditions and prohibitions, and promoting a healthy attitude towards menstruation.

Principal of the college Prof. Dr. Somnath S. Gholap presided over the function. Mrs. Rupali Londhe, Project Director of Janseva Foundation, Loni, Dist- Ahmednagar was the Chief Guest for the function. She guided girls about Menstrual Health. Mrs. Rupali Londhe focused on different phases like Introduction to Menstrual Health, hormonal changes during the menstrual cycle, importance of menstrual health and proper hygiene during menstruation for overall well-being.

In the function Dr. Jayshree Dighe, Coordinator of the Women Empowerment and Prevention of Sexual Harassment Cell welcomed the Guests of function and the participants.

On this occasion, the vice-principal of the college, Dr. Dadasaheb Dange, Dr. Ainur Shaikh, Dr. Rohini Kasar, Dr. Varsha Patil, Ms. Shubhangi Jagtap, Dr. Archana Antre, Ms. Pranali Bothe as well as the girl students were present. Dr. Ainur Shaikh proposed vote of thanks. There were 84 participants benefitted by the programme

Outcome of the Workshop:

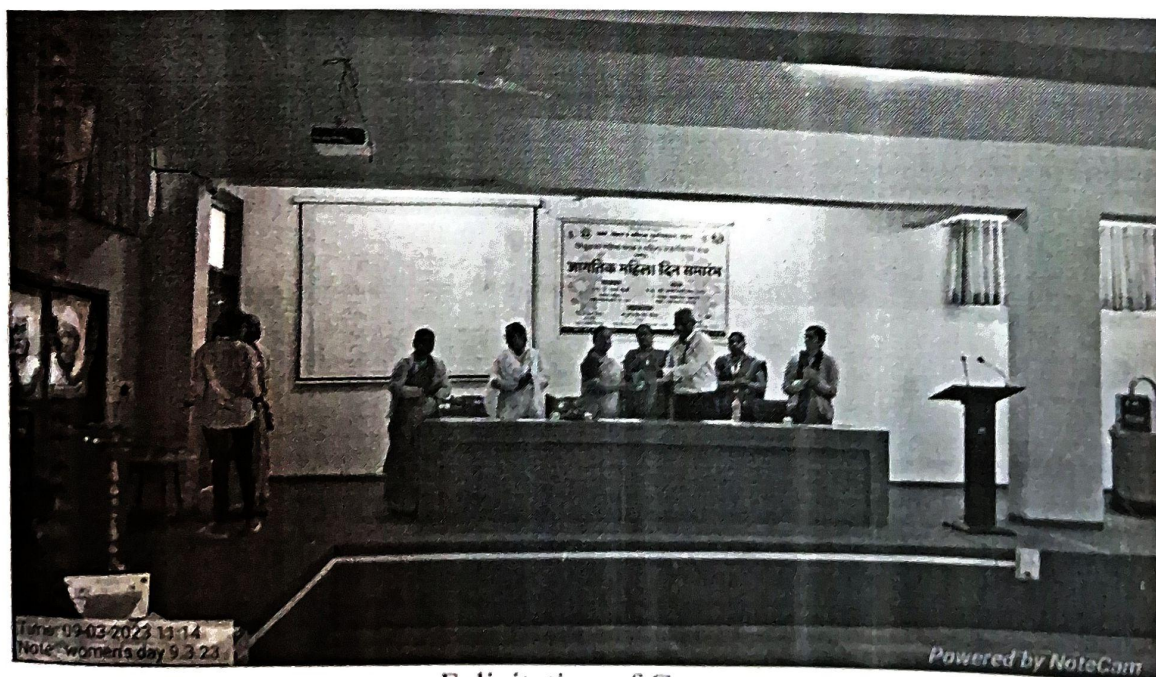

The Menstrual Cycle Awareness Workshop successfully achieved its objectives. Participants expressed appreciation for the informative sessions, citing a notable increase in understanding and awareness of their menstrual health. The interactive approach, coupled with expert insights, encouraged participants to openly discuss menstruation, which is often considered an off-limits subject. The workshop empowered attendees to make informed choices about menstrual hygiene products, adopt healthier lifestyle practices to manage symptoms, and engage in cycle tracking for better self-awareness.

Conclusion: The Menstrual Cycle Awareness Workshop successfully promoted knowledge and awareness about menstrual health, contributing to breaking prohibitions and creating a more informed and empowered community. By addressing the physiological, psychological and emotional aspects of the menstrual cycle, the workshop played a vital role in encouraging a healthier and stigma-free perspective towards menstruation.

Organized

A Guest Lecture

On

Gender Equality

REPORT

12/11/2022

Women Empowerment and Prevention of Sexual Harassment Cell of Arts, Science and Commerce College, Rahata has organized a guest lecture for the students of Arts, Science and Commerce faculty on Saturday, November 12, 2022 at 9.30 am. The theme of the Guest Lecture was **"Gender Equality"**. In the Session Dr. Ainur Shaikh, HoD, Hindi and Member of Women Empowerment and Prevention of Sexual Harassment Cell welcomed all the participants and gave a brief introduction of the theme of Guest Lecture. Dr. Jayshree Dighe, Coordinator of Women Empowerment and Prevention of Sexual Harassment Cell gave a brief introduction of the resource person **Dr. Manoj Patil, Assistant Professor and HoD, Philosophy, P.V.P. College Loni**. The resource person **Dr. Manoj Patil** was felicitated by Dr. **Suresh Pulate**, the Vice Principal of the college.

The resource person Dr. Manoj Patil delivered his lecture on Gender Equality. He spoke about **various things about** Gender Equality. Dr. Manoj Patil showed a valuable path on the issue of equality between men and women. Patil said today we are entering the 21st century, but is there equality between men and women? Should there be equality between men and women? If there is equality, how should it be? You get to see various thoughts regarding this. It was from this question that a great revolution took place in the western country and feminism was born from it. Women were also given all kinds of rights such as freedom, equality, education, political, social and economic and even today, various kinds of question marks are raised on feminism. So it still needs some improvements. Now days some

days are celebrated in the name of women eg. Like International Women's Day, Mother's Day, are celebrated. There is no need for all these days because this day is like custody. Therefore, it is not right to respect women for one day and keep them working for the rest of the days. What is equality between men and women? To provide equal opportunities to all women like men, to provide them with equal resources, to give them equal opportunities to develop their future, to give them economic partnership, social partnership, to involve them in the decision-making process at home, to give them equal opportunities in education, to achieve mutual consent. , to discuss every subject among each other, giving the right to all means equality between men and women.

Honorable vice Principal of the college Dr. Suresh Pulate presided over the program for this program. In his speech, he said that the students should take care of the important things regarding equality between men and women. Students should develop their personality by participating in various programs held in the college. There is no gender inequality or gender discrimination in the college. Students should increase their thinking level.

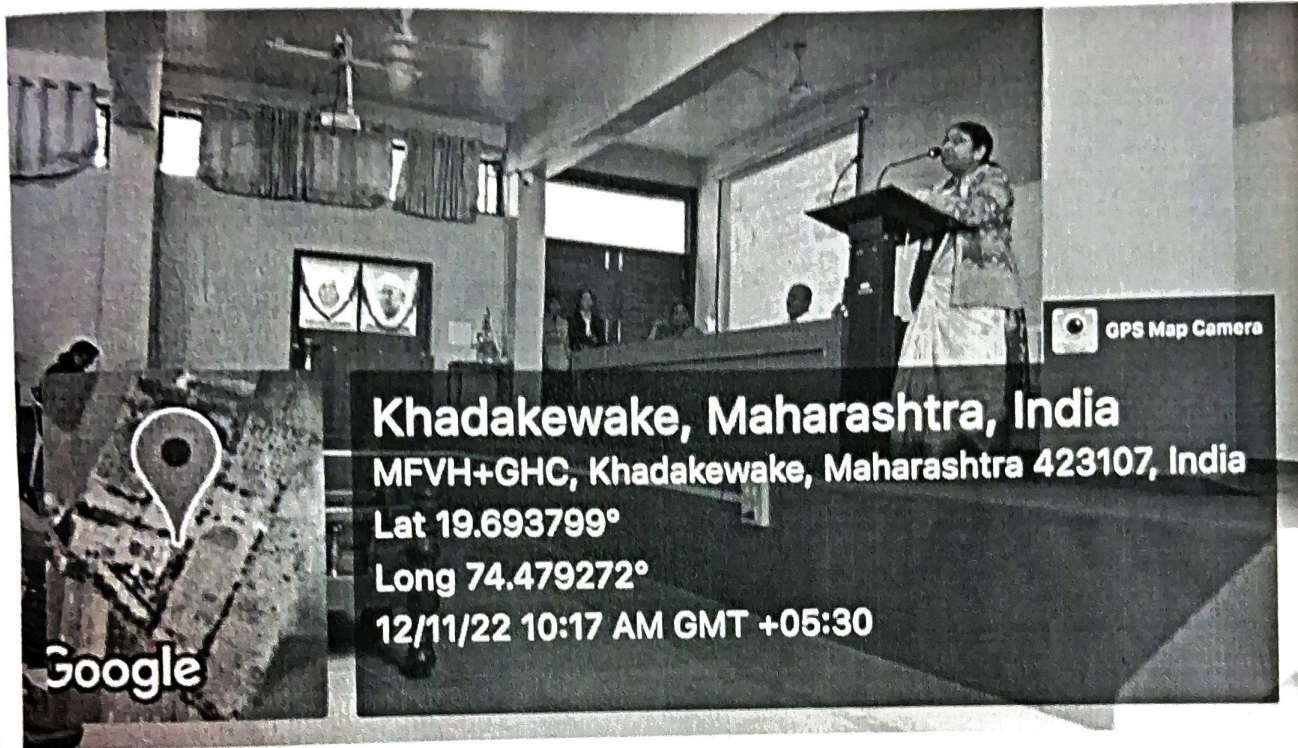

Total **90** participants were benefitted by the lecture, Prof. Pranali Bothe member of the Women Empowerment and Prevention of Sexual Harassment Cell proposed vote of thanks . Dr. Archana Antre was the anchored the program.

Women Empowerment and Prevention of Sexual Harassment Cell, all members of the cell took efforts for the Guest Lecturer. **Vice Principal Dr. Suresh Pulate** guided the students. Prof Sanjay Lahare, and Dr. D. N. Dange, Vice-Principal supported to the department to make the event a success. Prof. Pranali Bothe, Prof. Dr. Sanjay Kadam, Prof. Shubhangi Jagtap, Prof. Pendbhaje, Prof. Poonam Tambe supported the program. A total of 139 students attended this program.
