## Teacher Training Programme

On

### “Advanced Writing and Communication Skills”

05/07/2022 to 20/07/2022

#### REPORT

The Department of English of Arts, Science and Commerce College, Rahata has conducted Teacher Training Programme in English on “**Advanced of Writing and Communication Skills**” from 05/07/2022 to 20/07/2022 to improve and strengthen the capacity in the use of English of the teachers from the college as per the directions of Hon'ble Director, Dr. Mahesh Kharde and on the demand of many staff members.

On the first day, the Training Programme was inaugurated under the guidance of Principal Prof. S. V. Lahare. The trainer explained basic communication skill- Listening, Speaking, Reading and Writing.

Further, the trainer taught to all the participant teachers the syllabus like tenses, usage of tenses, active and passive voice, how to use dictionary? Subject-verb concord, common errors in pronunciation, how to use language in presentation, formal letter writing etc. In order to know how to use English on daily basis, the trainer planned that every day one participant should introduce herself/himself and one participant should propose vote of thanks of the day during the all training days.

Dr. R. D. Kasar, Head, Department of English and her colleague Prof. Bothe P.G. had taught them and took efforts for the success of this training programme. There were 38 teachers actively participated in the training programme. The Teacher Training programme was arranged successfully under the guidance of Dr. Mahesh Kharde, Director, SSRI and Prof. S. V. Lahare, Principal and cooperation of all teaching and non-teaching staff.

## Feedback Analysis

Vidvan ID Creation is a unique learning platform that leverages technology to provide students with expert guidance on a wide range of subjects. Using innovative techniques such as immersive learning and gamification, Vidvan ID Creation is designed to help students achieve their full potential. The training program was effective in providing staff members with a better understanding of the platform's features and capabilities, which in turn led to greater effectiveness in their roles.

The training program was a success, and the staff members showed significant improvement in their understanding of Vidvan ID Creation and online teaching methodologies. To ensure that the platform continues to meet the evolving needs of the students, it is recommended that regular training sessions be conducted. Staff members provided valuable feedback on various aspects of the Vidwan ID creation process. Their insights shed light on usability issues, challenges faced during the process, and suggestions for streamlining the workflow.

Based on the analysis, we have developed actionable recommendations to enhance the Vidwan ID creation process. These recommendations aim to address the identified points and improve the overall experience for staff members.
