• **Specific facilities provided for women:**

**a) Safety and Security Measures:**

The campus is secure with round-the-clock security. The security is equipped with tools for monitoring the campus. The organization has set up 26 CCTV cameras for security. The institute has set up Sanitary napkin vending machines. The institute organized training sessions or workshops to raise awareness about gender biases, unconscious bias, and the importance of gender equality. A NCC unit is functioning in the college. Under this, students are given basic knowledge about safety and security. First Aid Boxes are available at the Reception, Trustee Office, Security office, Main Gate, Library, Director Office, Principal office, IQAC, and all laboratories. Suggestion boxes were placed at various locations across the campus. The Institute has female guards to keep the interest of female students. All the girl students have the right to report to any female guard anytime and the guards are available to help without fail.

**b) Counselling:**

An admission counselor helps students to identify institutions that align with their academic goals, interests, and preferences. They consider factors such as program offerings, location, campus culture, reputation, and financial considerations. Counselor provides information on scholarships, grants, and financial aid options available to students. Mentors are allotted for each 20 students for student welfare and to guide them properly. A student's counseling for every 20 students one faculty counselor is appointed who helps the students in academics, co-and extracurricular activities.

**c) Common Rooms:**

The Institute has a separate girls' common room equipped with the requisite facilities for hygiene and safety. To safeguard the privacy of the institution has separate common room for girls and boys.
