Report on “Hemoglobin and Blood Group Checking Programme”

On the occasion of International Women's Day, 8th March 2022. The hemoglobin Checking Programme was organized by the Department of Zoology and the National Service Scheme (NSS) in the Zoology Department. Before starting a Hemoglobin checkup, Dr. V. R. Pawade delivered a lecture on Hemoglobin and its role in our body. The Hemoglobin was checked by Prof. S. D. Talole and Dr. V. R. Pawade by using Sahli's Haemometer. The range of Hemoglobin of most of the students is between 7-13 gm/dL.

The Girls students whose Hb was below 8 gm/dL were suggested for healthy diet, For example, use of jaggery, groundnuts and chapattis made on iron pan in their daily diet. One girl Miss. Somvansi Snehal Devidas whose Hb is 6.4 suggested for consultation of a Physician at Primary Health Center (PHC) Rahata. 31 students and 9 staff participated in the Programme.

Activity: “Hemoglobin and Blood Group Checking Programme”

Date: 08/03/2022

Dr. V. R. Pawade check the Hemoglobin of Students.

Dr. V. R. Pawade and Mr. S. D. Talole give information about Hemoglobin.

Respected Sir,

With reference to above mentioned subject, Department of Physics is going to organize an Extension/Outreach activity namely **Solar Energy Awareness Mission** in Ekrukhe village, Taluka- Rahata, on Thursday, 06/01/2022 from 9.30 am onwards. The students of Physics department will visit village and demonstrate various solar energy instruments. They will also explain advantages, benefits and applications of solar based instruments to the villagers. The objectives of activity, list of participants are attached herewith.

Kindly give permission to conduct the activity in Ekrukhe village on 06/01/2022.
Thank you.

Extension/Outreach Activity

Solar Energy Awareness Mission

- Aims and objective:**
1. To create awareness about use of Solar Energy in daily life.
 2. To Guide students, stakeholders; about working of Solar light operated instruments.
 3. To give demonstrations about handling process of Solar cooker, solar dryer, solar heater, PV system, etc.
 4. To motivate and encourage the visitors, students, for use of Solar Instruments.
 5. Awareness about Energy saving, pollution due to Electricity generation.

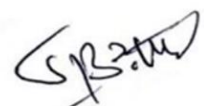

Beneficiaries: Students, Villagers, stakeholders from nearby villages.

Contributors: Students of SYBSc and TYBSc physics will work as Volunteers during activity and Staff of Physics department will supervise the demonstration and activity.

- Outcomes:** Students/Visitors will learn following things from this activity:
1. They will learn about techniques of use of solar instruments.
 2. Students will acquire demonstration skill of various instruments.
 3. Visitors get knowledge about working and operation of various instruments like Solar Cooker, heater, dryer, etc. They will understand the skills in writing essays, summary etc.
 4. They will understand necessity of solar energy for their future.

Conduction of activity/Content:

1. Students Prepare a poster of solar instrument showing its various parts.
2. Students give live demonstration of various instruments.
3. Students will answer questions regarding working and explain benefits of instrument.
4. Students clarify queries of visitors and encourage to use Solar instruments.
5. Explains benefits of solar energy and its scope in future for mankind.

Report of Activity

“Solar Energy Awareness Mission”

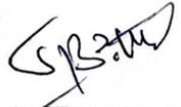

Date-06/01/2022

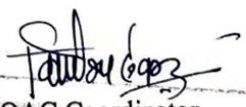

Place- Ekrukhe

Department of Physics runs an extension/outreach activity as **Solar Energy Awareness Mission** for nearby villagers. Our mission focuses on popularization and raising awareness by educating all stakeholders. The department manages the program to ensure that all the students are engaged and motivated for the use of solar energy and energy conservation. Once the student understand and become fully aware of the benefits of solar energy and its benefits, they become an important tool in helping you to achieve your energy management goals.

As a social commitment, teachers and students of physics department visit nearby village Ekrukhe on **6th January 2022** to popularize & promote use of renewable energy sources, especially Solar Energy. There are 16 students and 4 teachers participated in this extension activity. During the visits, awareness is created about the pollution & climate change, efficient use of electrical home appliances & renewable energy utilizing devices. Students of physics department explained working of solar dryer, solar cooker, parabolic reflector, PV system to the visitors. With the help of demonstrations, people get idea and get aware about necessity of use of solar energy. All NSS volunteers, program officers, school students and villagers visited and participated in this extension/outreach activity.

Department of Physics is very thankful to Dr. M. N. Kharde, Director of SSRI, Prof. S. V. Lahare, Principal of College, Dr. D. N. Dange, NSS program officer, Mr. Jitendra Gadhave, Sarpanch, Mrs. Saatav, Mr. Bhawar Members of Grampanchayat for giving an opportunity to serve society during NSS winter camp.

Outreach Activity
Soil & Water Analysis

Aim and Objective: -

- 1) To determine the level of nutrient found in a soil sample.
- 2) A soil test is important for several reasons: to optimize crop production, to protect the environment for contamination by runoff and leaching of excess fertilizers, to aid in the diagnosis of plant culture problems, to improve the nutritional balance of the growing media and to save money and conserve energy by applying only fertilizers needed.
- 3) To identify water quality of different water resources using different analytical methods.
- 4) To improve quality of water using suitable purification techniques. To provide a broad in-depth overview of important relationship between water quality and human health.
- 5) The main and basic objective of this soil and water testing program is to determine their fertility status and suitability as plant growing mediums.

Beneficiaries: - Students, Villagers, Farmers, Stakeholders.

Contributors: - T.Y.B.Sc. Chemistry students will work as volunteers during activity and staff of Chemistry Department will supervise the demonstration and activity.

Outcomes: -

Soil Analysis Outcomes.

- 1) Gained in depth knowledge on the pattern of soil cover.
- 2) Able to characterize for effective utilization of land for agricultural purposes.
- 3) Import Knowledge about the techniques of soil Fertility evaluation.
- 4) Clear Understanding of soil health & soil Quality indices.

Water Analysis Outcomes

- 1) Understand meaning of important parameter for measuring water Quality
- 2) Water Quality Criteria & Standards and their relation to crop.
- 3) Plan water quality surveillance for a given aquatic environment and to understand water a test result means in terms of the health of the ecosystem.

Conduction of activity/content:

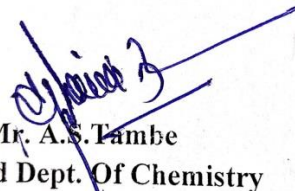

1. Students prepare a poster that shows importance of Soil and water.
2. Students went to farm and collected the sample.
3. Explain benefits of soil & water analysis and its importance in future for mankind.
4. Student will answer questions regarding their Quires.

Outreach Activity Report
Soil and Water Analysis

Department of chemistry conducted an outreach activity Soil-Water Analysis for nearby villagers. The main and basic objective of this soil and water testing program is to determine their fertility status and suitability as plant growing mediums. Our college Conducts this program to ensure that all students, Farmers stake holders are get benefits of soil & water analysis & know its importance in future for mankind.

As a social commitment, teachers and students of our department were visited to Adgaon on 1th April 2022 to determine the optimum soil and water test levels for various nutrients for specific soil and crop combination. In this activity 57 students of T. Y. B. Sc. Chemistry and 6 Teachers & 1 lab attendant participated. Student Volunteer explained benefits of soil and water analysis and its importance in future for mankind. soil test is important for several reasons: to optimize crop production, to protect the environment for contamination by runoff and leaching of excess fertilizers, to aid in the diagnosis of plant culture problems, to improve the nutritional balance of the growing media and to save money and conserve energy by applying only fertilizers needed. Farmers participated in this outreach activity.

Department of Chemistry is very thankful to Director and Principal Prof. S. V. Lahare sir for granting permission to this activity and also to provide necessary facilities to conduct this program. Departments is also thankful to Sarpanch, all members of Grampanchayat, Villagers and visitors for kind cooperation during the activity

Subject: Regarding obtaining permission to celebrate Vanamahotsav...

Respected Sir,

Pursuant to the aforesaid subject, Vanamahotsav-2022 is to be celebrated under the Department of Botany and Geography. It is intended to plant 500 different types of trees for the said program. It is planned to plant these trees in various villages around the college (Sakurai, Pimplas, Ekrukhe, Khadkewake etc.). It has been planned to organize the said program in order to create social commitment among the students and to conserve the environment. However, we humbly request you to grant permission to organize “Vanmahotsav-2022” on 7th and 8th January 2022.

Report

Department of Botany and Department of Geography of Arts, Science and Commerce college, Rahata have jointly organized Vanmahotsav- 2022 on 7th and 8th January, 2022 under the guidance of Hon. Director Dr. Mahesh Kharde and Hon. Principal Prof. Sanjay Lahare. Greenery, as a whole, helps in maintaining ecological balance. Since trees are such a vital part in the ecosystem, it is the duty of each and every individual to preserve vegetation and root for a healthy, pollution-free environment.

However, due to urbanization and industrialization, more and more trees are cut down every day. Deforestation is an emerging concern and Van Mahotsav aims to conflict the environmental imbalance caused due to this action. So, the main aim of the program was to inculcate the socialism within students. It aims to encourage students of our college to plant more and more trees. Deforestation is a serious concern; hence Van Mahotsav aims to bring more and more people together to grow and save forests in the country. Therefore, we planted trees and celebrated Vanmahotsav on 7th January and 8th January, 2022 in nearby villages of Rahata tahsil.

In this event we planted various kinds of 500 plants with the help of our college, students, and teachers.

Dr. Varsha Patil, Prof. C. M. Bansode, Miss. P. G. Bothe and Dr. S. R. Potdar

and 22 students taken efforts for the successful completion of the program.

“Distribution of Medicinal Plants”

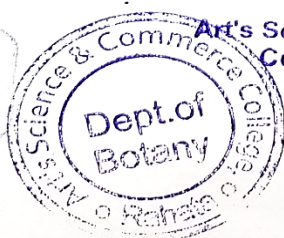

Date-08/01/2022

Report

The Department of Botany has taken an initiative to spread awareness about the medicinal properties of various plants. In an effort to promote the use of herbal remedies, the department has distributed various medicinal plants in Astagaon. These plants have been carefully selected for their proven ability to cure various ailments, and their easy availability in the local region. The department has also provided detailed information about the plants, including their scientific names, common names, and usage, to encourage the local communities to make use of them. The distribution of these medicinal plants is part of the department's larger goal of promoting sustainable healthcare practices and preserving traditional knowledge about herbal remedies. Total 18 students and 4 staff participate in the program.

Sub: Invitation to deliver a talk to students and parents (farmers) on Sustainable Agriculture

Respected sir,

The Arts, Science and Commerce College, Rahata was established in 1997 with a vision of education for the upliftment of rural masses. The college lies in pleasant picturesque campus scattered over 21 acres with excellent state of art, pollution free environment, eco-friendly campus and outstanding infrastructural facilities. The NAAC has accredited the college with 'B++' grade. College is playing vital role in rural area and as a result, we have received the first prize of 'Best Rural College Award' from Savitribai Phule Pune University in the year 2013. The college is also honored with the 'Best College Award' in the academic year 2011-12 by Student Welfare Board of Savitribai Phule Pune University.

The college wishes to organize a talk for the students and farmers. In this context, it's my pleasure to invite you as a Chief Speaker to deliver a talk on "Sustainable Agriculture, Organic and Herbal Farming" through online webinar on Sunday 25th July 2021 at 7.30 pm (IST).

Kindly accept the invitation and do the needful.

Report on
Helping Hand Program for Covid-19 Vaccination Camp, Shirdi
(Date- 07 Oct. to 15 Oct. 2021)

The covid-19 vaccination camp for Sai devotees, Shirdi was jointly organized by Shirdi Nagar Panchayat, Shirdi and Janseva Foundation Loni in collaboration with Rural Hospital, Rahata from 7th October 15th October, 2021 at Shirdi. Our NSS volunteers and staff actively participated and contributed for this smooth conduction of the vaccination camp. Total 35 volunteers and 05 staff were participated in this camp as a helping hand and help and support during covid-19 vaccination camp. At that time our volunteers raised awareness about Corona and give the important instructions to the people and Sai devotees to reduce the prevalence of Corona, as well as to use the mask, keep the social distance, use of sanitizer, avoid unnecessary crowds, get vaccinated and follow the government rules very carefully. During this vaccination camp our NSS volunteers went door to door in Shirdi area to create awareness among the people about getting vaccinated as many people as possible. Thus our NSS unit have successfully work as helping hand in this vaccination camp and made a significant contribution to the smooth conduction of the camp.
