Historical Survey of Mauje Khadakewake

Preface:

Historical information of Mauje Khadakewake, Tal- Rahata, District Ahmednagar is as follows...

There are generally families named Yadav, Mujmule, Murade, Laware, Dhanwate, Pokale, Ambedkar, Gaikwad, Mali etc. All the families in this village live together according to the principle of inter-religious harmony. Therefore, it is a rural village and many programs are well conducted in this village. They make money by doing business and farming.

Religious overview:

The village Mauje Khadakewake has Maruti Mandir, Biroba Mandir, Vitthal Rukmini Mandir, Ramzan Baba Mandir and Varhandiaai Mandir etc. Religious rituals are performed in this village, based on a religious point of view. So, people from all communities come together. Unity, equality, and belongingness in Mauje Khadakewake created truly. During the month of Shravan many religious rituals are performed in the village from morning to night. The Bhajan program is performed on the day of Hanuman Jayanti. On the day of Mahashivratri, all the people of the village come to visit the temple of Lord Shiva. In the month of Aashad, offerings are made to the deities. The procession of Biroba is carried out in a dignified manner. Then the Worship of Biroba deva is performed ritually. The procession is happily attended by young and old alike. The procession of Pandharpur, Alandi also done by the people in the village. On the day of Ashadhi Ekadashi and Kartiki Ekadashi and on the day of Maha Shivaratri the people held fast. According to them fasting is a way of worship and also away to make the family happy.

Farming:

When the word 'Farmer' comes before our eyes, we think about an ideal family. Farmers are the people who work hard in their fields. That's why he can support his family and can complete their children's education. The farmer can use the money to replant the crop in his field. The farmers of Mauje Khadakewake grow grass, guinea grass and maize for their pet animals. In general, these villages literally grow their crops in less water because this area is largely dependent on rainwater. The area under sowing in this village is 650 heaters.

Criterion III: 3.4.3 – Extension Activities

Grows like Millet, Maize, Sugarcane, Soybean, Brinjal, Tomato, green chilli, Gour, spinach fenugreek etc. Agriculture products are taken to the market committee at a nearby. The vegetables are taken to the markets of the surrounding villages for sale. The money from this is used for their families. Although there is less water in this village orchards like pomegranate and grapes are also in their fields. The village has a 'Pravara Fruit and Vegetable Centre' and a cold storage. So, the vegetables are sent to various markets for sale. Farmers can get financial assistance to some extent. Agriculture pesticides, fertilizers are used by farmers and take from nearby towns like Rahata, Kelwad, Loni etc. In addition to farming, they also support their family's economy by engaging in poultry and dairy plants etc. Because of many problems and money is the only thing which can solve these problems. To get the money, many farmers do collaborative business. For the convenience of the people of Mauje Khadakewake, some villagers set up small businesses to support their families. It also caters to the needs of the people. There are some such businesses in this rural village. They are follows...

Dairy Business:

Farmers do dairy business as supplement to agriculture. This dairy business contributes financially. Dairy plant is also available for such type of business in Mauje Khadakewake. These milk collection centres are owned by Mr Gorakshnath Pokale, Mr. Sachin Murade, Mr. Bhaskar Murade, Mr. Kiran Surase. Because of these milk collection centers, Dairy business become suitable for the people of the village and it also supports financially.

Grocery Store:

There are two grocery stores in the village, from where people carry their groceries. The grocery stores considering the rural area as well as the daily life of the common people. These shopkeepers help them to run their families, also every need of people is fulfilled in the village itself. So, people don't have to go outside of village.

Hotel Business:
